Description

TISSOT chrono watch, Seastar Navigator 40522 model, vintage, since it was published in 1974. Having certainly been the subject of a gift, it is engraved on its case back with the name of its recipient as well as the year 1974. Its format, its tonneau shape, its brushed steel and its touches of color on the dial (red hand, blue window), give it an aesthetic very representative of its time. In addition to the chrono function, this watch is also equipped with a date. Mechanical type with manual winding, this watch is equipped with a VALJOUX 7734 movement. It is mounted on its original steel bracelet and duly signed. In very good condition and revised, its proper functioning is guaranteed by us for one year (except in the event of shock or immersion). Model: 40522
Year: 1974 Movement: mechanical, hand-wound
