Description

Napoleon III style gold sewing kit and ivory box.

This case includes five elements in 18 carat yellow gold with finely worked decoration : A scissors, an awl, a thimble, a needle case, and a ribbon-passing needle.

The box closes with a push button.

Very good condition.

There are some light stains on the box.

There is a lack of ivory on the button which does not prevent it from working properly and therefore the opening of this box.

The thimble can be monogrammed thanks to a cartouche.

French work from the end of the 19th century hallmarked eagle's head.
