Description

Terracotta sculpture representing several fish in a seabed from the 1930s in the art deco style. Very interesting, very pleasant sculpture representing an unusual and very typical art deco subject.

Excellent general condition and very pleasant light patina. Signature of this animal artist at the base on the back. Work of art to place in a beautiful collection or in a typical interior on a console or a sideboard. Possibility of sending in France and around the world by secure and insured package with order tracking. Invoice and certificate provided.
