

Parrot Coat Rack

200 EUR

Period : 20th century

Condition : Très bon état

Material : Solid wood

Diameter : 60 cm

Height : 180 cm

Description

Vintage "parrot" type coat rack in beech wood.
The model corresponds to that of the Baumann house, but we cannot find any signature attesting to this.

Six double hooks, removable and rotating at mid-height, the whole rests on four circled feet.
Work from the 60s.

Possibility of collection on site, or contact us for possible shipping.

Dimensions -

Weight: 4.1 kilograms

Height: 180 centimeters

Diameter at the feet: 60 centimeters

Diameter upper part: 46 centimeters
