

Oil On Canvas "the Creek" Early 20th Century Italy

580 EUR

Period : 20th century

Condition : Restauré par notre atelier

Material : Oil painting

Length : 0,60

Height : 0,40

Description

Charming oil on canvas of the coast of the Italian Riviera from the beginning of the 20th century. We can certainly guess Monterosso in the region of the 5 lands. In an academic style but without rigidity, this canvas has an interesting luminous palette. The painter worked his colors with a slight thickness and was able to capture the vibration of light by playing on the waves, the rocks and the slightly cloudy setting sun. Restorations on the back
