Description

Imposing bronze cage chandelier with glass and crystal pendants, decorated with numerous daggers.

This large chandelier dating from the end of the 19th century has the particularity of having numerous ornaments of the daggers lit by small bulbs.

It has 12 lights not counting the bulbs inside.

The bronze segments are cylindrical and form circles at the intersections.

This chandelier has been cleaned and re-electrified. Note the beauty of the daggers and the faceted crystal ball.

Pay attention to the dimensions.

A spectacular chandelier.
