Description

Pair of Louis XV Louis XVI style lamps from the early 20th century in the 1940s in silver-plated metal. Very interesting pair with cherubs animating antique columns decorated with a very beautiful original patina that has not been restored. Black wooden bases enhance the elegant side of this set. Uncommon pair and giving a very decorative side thanks to a possible symmetry for beautiful lighting. Lighting system in excellent condition with chain switch systems. Good size, total height to the lampshades 58 cm. Lamps alone 38 cm. Possibility of sending in France and worldwide by secure and insured package with order tracking.
