

Fishing Boats And Fishermen In The Port By Moonlight, Riccardo Colucci

1 600 EUR

Period : 20th century

Condition : Bon état

Material : Oil painting

Description

Riccardo COLUCCI is an artist born in Italy in 1937. Oil painting on framed canvas, Southern Italian coastline with fishing boats, signed lower left Riccardo Colucci This striking painting captures a picturesque port, probably Mediterranean, with an impressive mastery of natural elements. The sea, calm but vibrant, mixes with the silent moored boats, testimonies of an intense maritime life. The village in the background, with a rustic and timeless architecture, suggests an ancient village, anchored in history. Dimensions: -With frame 110/80 cm
-Canvas 80/49cm
