Description

This beautiful healthy canvas by Renoux is a beautiful work entirely in the Romantic spirit of the time, from the first half of the 19th century, more precisely Louis Philippe around 1840. A remarkable work and in its beautiful period and original frame in gilded stuccoed wood with ears. An intimate and decorative painting of good size or the grandiose landscape of a mid-mountain valley, thanks to a river spanned by a wooden bridge that a woman crosses joining two other women on the bank, one of whom is on her mount; a peasant leads a hat, a bundle on his shoulder, his two cows for all procession. On the water, ducks evolve peacefully, while in the distance at the bottom of the valley, a beautiful and proud castle raises its round towers flooded with sunlight with a light background of mist in
