National Cash Register

1 900 EUR

Period : 20th century

Condition : Bon état

Material : Bronze

Width : 65

Height : 57

Depth : 42

Description

Cash register from the American company National This company first marketed this type of item from 1884. Large model of cash register in gilded bronze is chiseled with pearl friezes, garlands and scrolls embellishing it on all its faces. A white marble shelf is affixed above the cash drawer, which has 6 compartments dedicated to storing coins and notes. The whole rests on a wooden base. Very decorative object, unusual and of a remarkable size!
