### Description

This draft horse is beautifully made. It does not bear a signature, but is reminiscent of big names. The quality is there, as can be seen in the rendering of the mane, the musculature and also in the vegetation on the ground. As for the patina, it is sumptuous, it is a dark brown patina on a large part of the horse, more or less light on the other parts. It is authentic and old without a doubt. As for the condition, note classic patina wear and verdigris underneath. Our many photos allow you to appreciate the quality of the object. For the condition, please detail the photos. Do not hesitate to zoom in. The photos are an integral part of the description.
