Description

This covered incense burner from Japan from the mid-19th century is made of copper and cloisonné enamels. The neck is removable, the globular belly resting on a copper base and decorated with two curved handles, decorated with Japanese symbols: peony, plum blossoms and cherry blossoms, great tits and on the chiseled gilded copper lid decorated with a coiled dragon. For the condition, note that the lid has difficulty closing properly. Also note an accident on the grips. Please provide detailed photos. Photos are an integral part of the description. Dimensions: Total height: 29 cm Height on lid: 17.5 cm Width: 42.4 cm (handle to handle) Top diameter: 16 cm Base diameter: 16 cm Diameter at widest point: 24.8 cm C1502
