Description

Jacobus Johannes Doeser Dutch painter Utrecht
1884 - 1970 Heemstede Starry night over a
pond Oil on canvas : 100,2 X 90,1 cm Signed
bottom right "Doeser" Signed and dated on the
backside of the canvas "J.J. Doeser / Dec
1934" Frame : 113,4 X 103,2 cm Our
expressive-realistic, wonderfully coloured
landscape at night was clearly influenced by that
other Dutch painter, Vincent van Gogh. It dates
from 1934 and is completely unique for Doeser,
surpassing all that he ever painted. All my
paintings stand fully documented on my
