

18th Century Bedside Table / Snack Table In Marquetry.

850 EUR

Period : 18th century

Condition : Restauré par notre atelier

Material : Marquetry

Width : 44 cms

Height : 70 cms

Depth : 29 cms

Description

A rather rare bedside table, also called a snack table, in rosewood and palisander marquetry. These small tables were used to bring dishes to guests at receptions, which is why they have handles on the sides. They are usually made of natural wood and more rarely in marquetry. A large drawer on the side. Four gilded bronze shoes. Usual restorations. Delivery possible, please contact us.
