Description

Large carved and gilded wooden sculpture in the Baroque style from the 17th and 18th centuries. Very beautiful piece, height 71 cm, imposing for its decorative qualities and its rare size on the market. Late 17th century sculpture announcing the Baroque style animated by a remarkable and complete movement. Note the very beautiful realization of the dress decorated with flowers and the presence of the child Jesus who has remained complete. Period gilding and polychromy having suffered very little damage. Exceptional piece which will give its new owner all satisfaction through its qualities and originality. Rare Louis XIV base with cherub head. Possibility of sending to France and around the world by secure and insured package with order tracking or by professional carrier. Invoice
