### Description

This oil on canvas is a Barbizon work from the end of the 19th century. We see two cows going to drink, a man standing just behind. We can see the sun on the horizon. Everything is served in a very beautiful fluted frame. The signature is to be identified, we can read the beginning Schoe... The work is sold unrestored, unprepared, it remains in a generally acceptable condition. The fluted frame gilded with gold leaf, also from the 19th century, has some small lacks. Sold as presented. For the condition, please detail the photos. The photos are an integral part of the description.
