

Half-moon Crib Top - Mechanical Tulle Embroidered With Knotted Flowery Strands - Circa 1900

70 EUR

Period : 19th century

Condition : Parfait état

Material : Linen

Description

Half-moon crib cover made from a piece of slightly off-white cotton tulle, embroidered with a fine floral decoration with strands tied with a ribbon and whose white embroidery has a generous relief. A day work highlights the border flounce. The whole is in perfect condition. Washed and ironed linen.? Buy this item on our website? Additional informations and photos? Online payments ?
