Description

Beautiful and massive amber-smoked crystal bowl from the 1950s, signed at the base. A luxurious and beautifully dense bowl of pure amber-smoked crystal with octagonal sides. This "strong" piece is typical of the beautiful productions of the Daum Glass Factory; a strong and decorative piece, beautiful in its presence while remaining sober and at the same time strong, by its proportions and thickness as well as the chosen color. Decorative as desired, this is an elegant and useful piece for a centerpiece by its appeal and quality. In perfect condition and ready to return to service, a real pretty piece for an enlightened amateur
