Description

Bérís, whose real name is Raphaël Baeriswyl, is a Fribourg painter, known for his work in the field of abstract art. He recently passed away at the age of 95. Bérís is known for his ability to create spontaneous and unique works, often without worrying about the destination of his creations, which makes it difficult to establish a catalogue raisonné of his work. His art is the result of continuous exploration and playful interaction with materials, which has allowed him to leave a significant mark on the world of contemporary art.
