## Description

Very pretty little dish in fine porcelain, free-form, with a scalloped border. With a white background, the paste slightly blue, it is decorated with a central bouquet and a floral frieze in the background. The border is also decorated with garlands of leaves and flowers. The dish is slightly flared, the central foot and back of the dish, in biscuit.
Very good general condition. As often, numerous micro chips on the edge, and a small one on the back on the border (less than 1cm), everything is indicated on my detailed photos, please look at them carefully, I am not hiding anything!
Chinese porcelain, dating from the second part of the 18th century, Circa 1780, for export.
Dimensions: 29.7cm x 23cm x 2.7cm
