Description

Central Italy Empire desk, supported by lion feet, on the front it has a retractable door, which can be opened through a mechanism accessible on the bottom of the cabinet and concealing two drawers, it is surmounted by a smaller drawer. In the upper part there is a retractable roller door, concealing a pull-out desk top with a fake Moroccan insert (replaced later), equipped with a spring system that gives access to secrets; present compartments and drawers. The shelf has a single door with a mirror concealing a castle with compartments and drawers. The uprights on the front have the characteristic truncated-pyramidal shape, ending with gilt bronze drips and surmounted by female herms in burnished bronze in the lower body, while in the upper one there are Egyptian caryatids. In mahogany, the interiors
