

## Profile Of Emperor XX

98 EUR

Period : 20th century

Condition : Etat d'usage

Material : Crystal

Length : 13 cm

Width : 13 cm

### Description

Profile of Emperor inserted in a block of smoked crystal. The profile is hollow when the profile is turned to the right. Work from the 1930s-1940s. I take into account in the price the 2 accidents: chip on the left side which does not reach the profile, and 2 other small chips in the upper part.

Shipping costs to France by Colissimo with tracking: 25 euros
