Description

The little flower seller. Bronze by the Italian sculptor Augusto Murer (1922-1985). The young boy is shown offering a flower to his interlocutor. With great realism, the movement is seductive, the material raw, the style modern, energetic and lively. Support in slightly veined black marble. Very good condition. Signed on the base "A. Murer", 80 (1980) and numbered 7/199.
