

## 18th Century Earthenware Fountain Top

850 EUR

Period : 18th century

Condition : Très bon état

Material : Earthenware

Width : 25 cm

Height : 40,5 cm

Depth : 12 cm

### Description

We present this pretty polylobed fountain top with its cover. The water comes out of a tap in the mouth of a fish. As for the cover socket, it is also a fish. This is a regional earthenware that we have not yet identified with a dominance of yellow. Very beautiful object guaranteed to be from the 18th century. In very good condition. (E25)
