### Description

Art Deco vase by Delatte Nancy. This superb glass vase, by Delatte Nancy, was made between 1920 and 1930, during the emblematic period of Art Deco. Slender and elegant, it rests on a circular foot and reveals a magnificent gradient of colors, ranging from a fiery red in the center to a deep purple on the foot and neck. The handles, made of double glass (an advanced technique of glassmakers), recall the shape of an amphora and bring lightness, refinement and originality to the silhouette of this large vase. The satin glass accentuates its visual effect while highlighting the exceptional know-how of André Delatte. Height: 51 cm. Please note: discreet micro scratches, very good general condition
