

Paris Porcelain Plate - Dagoty Manufacture In Paris - Early 19th Century

680 EUR

Signature : Manufacture de DAGOTY

Period : 19th century

Condition : Très bon état

Material : Porcelain

Diameter : 22 cm

Description

White background decorated with a polychrome decoration representing, in the center, a bucolic landscape animated by a rider holding his horse by the bridle, accompanied by a dog. The wing has a light gray background, framed by gold threads. On the edge, a decorative band typical of the neoclassical style displays a garland of stylized motifs in the shape of elongated drops. A fine gold thread underlines the edge of the plate.
