

## Period Clock In Gilt Bronze And Ivory, 19th Century

8 000 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

### Description

Elegant clock in finely chiseled gilt bronze, depicting a gracefully seated woman, sculpted in partial ivory, wearing a flowing draped dress. It rests on a richly decorated marble base, adorned with sculpted motifs and refined garlands. The enamel dial, enhanced with Roman numerals, brings a touch of classicism and refinement to this exceptional piece, a symbol of the artisanal know-how of the time. Height: 33cm, Width: 31cm
