Description

Beautiful Art Deco sideboard This two-door sideboard perfectly illustrates the elegance of the Art Deco style, with its clean lines and refined woodwork. Made from whitewashed oak, it highlights the natural grain of the wood thanks to a light finish that gives it a textured and sophisticated appearance. Sideboard opening with two doors with its key (with a shelf in the middle) and sliding windows on the top of the piece of furniture. Resting on a slightly recessed base, this piece of furniture combines both solidity and elegance, perfectly embodying the Art Deco aesthetic where modernity and exceptional craftsmanship meet. A timeless piece, ideal for an interior combining vintage charm and sophistication. In very good condition. Approximate dimensions: height 140 cm - width
