Description
-------------

Very elegant solid oak table dating from the end of the 19th century, around 1890-1900. This table has six legs connected by spacers. The legs are sheathed, molded and carved with gaudrons decoration. Each leg is connected by a very nicely worked and carved spacer. The ends of the table are rounded, and richly molded. There is a drawer in the belt on one side. This table is of good quality, and very well made. It also has good dimensions. This piece is in good condition, with its natural wear of time not detracting from its charm and originality. Dimensions: 275cm wide, 111cm deep, and 83cm high.
