

Pair Of Musician Cupids

3 800 EUR

Period : 17th century

Condition : Très bon état

Material : Gilted wood

Width : 31

Height : 68

Description

Rare pair of loves blowing a gilded wooden trumpet from the end of the 17th century. The trumpets are original, the movement is quite unusual for angels of this period. They must have framed an organ either in a church or a chapel? The gilding is in good condition, they must have been handled little, the dimensions are without the trumpets height 68 width 31
