Pair Of 2-light Navette Candlesticks By Wmf, 1960s Design Period, New, Daum Christofle Era

190 EUR

Signature : WMF

Period : 20th century

Condition : Parfait état

Material : Metal

Length : 31 cm

Description
-------------

Nice pair of 2-burner shuttle-shaped candlesticks by WMF. Boat hull shape, my bobeche at the ends. The central part is brushed in a circular fashion. Very design and graphic. Each candlestick is 31 cm long, stamped with the factory mark. Still has its label underneath and hanging. Very aesthetic piece, 1960s period.
