The notches, also painted in light blue, are characterized by a red bow that extends its ribbons downwards from the top, meeting bunches of roses and other floral decorations. On the sides, on the jambs and on the upper cornice there are more flowers and ramages. All the hardware is original and working. This piece of furniture has never been restored and is in excellent condition. It will be restored, prepared and set up internally by our restorers, based on the customer's preferences and needs.

Restoration information

Our laboratory guarantees conservative restoration for each piece of furniture while respecting its integrity. Each piece of furniture is treated to ensure solidity and hygiene.

In particular, the following are carried out:

- structural restoration
- careful anti-woodworm treatment
- cleaning and sanitization of the interior
- external finish with natural beeswax
- internal finish with shellac (natural alcohol-based varnish)

Upon request, we can agree on the desired level of restoration and the customization of the internal layout (clothes hanger poles, shelves, etc.).
