Description

Pair of vintage lamps in twisted white worked glass and gilded brass from the 50s and 60s. Charming pair in excellent condition of structure and electrification with the original lampshades also in excellent condition. Lamps surely of Italian origin with its lamp bases in worked glass with application of a knotted cord link bringing an original side to the whole. Very beautiful diffused light, very soft, thanks to the whiteness of the glasses and the parchment of the lampshades. In summary, very beautiful pair to be positioned in symmetry for a beautiful decoration. Possibility of sending in France and around the world by secure and insured package with order tracking. Height to the lampshade 39.
