Saint Peter Fixed Under Glass Alsace

280 EUR

Period : 18th century

Condition : Etat d'usage

Material : Glass

Width : 22,3

Height : 28,5

Description

Glass fixed representing Saint Peter with the key and the rooster in a round flowered window. Some paint losses are to be noted. The fixed is framed in a molded wooden frame, covered with embossed paper with a palmette motif. These glass fixed are a specialty of Alsace in the 18th century, taking up either religious subjects or women representing the seasons
