### Description

This majestic Louis-Philippe style chest of drawers, dating from the late 19th century, comes from a beautiful bourgeois residence in the Anjou region, in the Loire Valley.

This burl walnut chest of drawers is a rare and authentic piece that combines elegance with exceptional craftsmanship. Its wood, with natural patterns and warm tones, creates a sophisticated atmosphere in any interior. The gray Saint Anne marble top adds an extra touch of luxury, featuring fine veins and rich patterns.

The five drawers, including a hidden one discreetly concealed in the plinth, offer generous storage capacity while maintaining a harmonious design. The fully functional key-locking

mechanism ensures the security of your belongings. The meticulously cleaned interior is ready to accommodate your cherished items. The original patina enhances its timeless beauty, while the solid walnut sides and back reinforce its sturdiness.

The owners have preserved its condition over generations, reflecting the care and affection dedicated to this exceptional piece. This family transmission attests to the sentimental and historical value of the furniture, further reinforcing its unique character and authenticity.

Owning this chest of drawers means acquiring a true work of art that embodies the history and refinement of the 19th century. It seamlessly integrates into various interior styles, adding a touch of nobility and sophistication to your décor.

Paired with modern elements such as contemporary lighting and minimalist decoration, this piece creates a subtle contrast that highlights its character while adapting to a contemporary setting.

Don't miss the opportunity to add this exceptional piece to your collection.

Make this Louis-Philippe chest of drawers the centerpiece of your interior and let yourself be captivated by its unique and timeless charm.
