Description

Immerse yourself in the world of this set of bronze boxes, of Asian origin, a treasure both refined and practical that illustrates the virtuosity of 19the century craftsmen. Their finely chased reliefs and golden hue give these objects a timeless charm, ideal for enhancing your interior decoration.

Decorated with relief motifs depicting traditional scenes and symbols, these boxes bear witness to the cultural richness from which they originate. The tight-fitting lid protects your small objects or spices, while the subtle patina of the brass adds a touch of authenticity. At the time, these items embodied both the social status and elegance of their owners.
