Description

France / 1980 / Roche Bobois / Mah Jong / fabric
/ Mid-century / Vintage

A vintage Mah Jong Chaise lounge sofa in very nice condition upholstered with fabric from Missoni fabrics. Designed by Hans Hopfer in 1971, the Mah Jong sofa is an iconic model of the Roche Bobois collections, and offers total freedom of form and function.

This attractive lounge sofa can be combined with other elements for infinite compositions. Each cushion is entirely made and sewn by hand in a dedicated workshop. Dressed in exclusive fabrics, the Mah Jong remains a reference of creativity and modularity.

This element is presented in a Missoni fabric that is both elegant and exuberant. The floral designs created exclusively for Roche Bobois give rhythm to this model, which continues to surprise while remaining true to itself.

Missoni is an Italian luxury fashion house based in Varese, and known for its colorful designs. The company was founded by Ottavio and Rosita Missoni in 1953.
