Crystal Vase With Silver-gilt Lid, 19th Century

500 EUR

Period : 19th century

Condition : Très bon état

Material : Crystal

Description

This 19th-century crystal vase features a lid made of silver gilt, a metal made of silver coated with a thin layer of gold. This piece combines the elegance of crystal with the richness of silver gilt, a manufacturing detail commonly used to add brilliance and decoration to 19th-century objects.

The vase is carefully crafted and is typical of the craftsmanship of the period, and the silver gilt lid demonstrates careful attention to detail.
