Description

The Latreille jewellers are an honourable house, still in business, run by six generations of women since the end of the 1940s and located at the foot of the Pyrenees in Tarbes. Like any self-respecting great house, they did not hesitate to promote themselves with great fanfare and also offered, for example, charming little jewellery boxes like this one in silver metal with an engraving representing Place Marcadieu with its fountain of the four valleys by signing Latreille Bijoutier Tarbes. Interior in beige velvety fabric.
