Description

Crystal chalice signed by the English designer and master crystal maker William Yeoward. The chalice takes up an antique English design in the Regency style. Very beautiful diamond point decoration and geometric patterns. This chalice constitutes a beautiful modern art object. The weight of the chalice is 820 gr, testifying to the high quality of crystal used. The chalice is signed on the foot "William Yeoward" and has its original stamp in red wax molded with the name of the creator.
