Description

Small round paperolle* reliquary, in a horn case, from the 19th century. This reliquary is in good condition. The label does not provide information on the saint or relic presented. Please note: the box is damaged (see red arrow), wear and tear, see photos. *Paperolle: A craft technique that consists of rolling up narrow strips of paper to create various ornamental shapes and patterns. Paperolle is a very old technique that was used in the Middle Ages, in poor churches, to imitate gold or silver filigree decorations. The creations were often reliquaries called paperolle reliquaries. Paperolle is a term derived from paper. It refers not only to the technique, but also to the paper creation. The term rolled paper is sometimes used as a synonym. Diameter: 4 cm / thickness 1.8 cm
