

Pair Of Louis XVI Candlesticks In Gilt And Patinated Bronze Representing A Putto

2 650 EUR

Period : 18th century

Condition : Etat d'usage

Material : Bronze

Diameter : 8

Height : 27

Description

Pair of gilt bronze and patinated bronze candlesticks representing a putto holding a cornucopia on a column of Brocatelle Jaune marble from Spain. The base with two evolutions tightens on the shaft of the column. We find a decoration of fine chiseling with guilloche friezes, gadroons, twists as well as pearls.

Louis XVI period

Height: 27 - Diameter: 8 cm
