

Six-shot Cylinder Pistol

650 EUR

Period : 19th century

Condition : Très bon état

Material : Metal

Length : totale de l'arme 19 cm

Description

We present this exceptional quality weapon from the end of the 19th or beginning of the 20th century, six shots firing pinfire bullets. The particularity of this exceptional weapon is that the cylinder is nielloed (inlay of metal of a different color on another metal), the stock is very ornate in stained wood. At the start of the barrel you have a mark engraved in the iron. Very beautiful weapon in a more than perfect state of conservation. Works perfectly. Weight 360 gr (E25) Ref: YG1 N°9
