Description

Louis XVI chest of drawers in mahogany and blond mahogany opening on the front with three drawers with drop handles. The upper drawer simulates three drawers. The drawers, the sides are decorated with brass rods, the fluted uprights at the front and the back are trimmed with brass rushes. The turquin marble top is surrounded by an openwork gallery. The four "spinning top" feet are decorated with rings and end with a shoe. Chest of drawers from the end of the 18th century in very good condition, entirely refinished and revarnished. Note the absence of keys.
