

Vintage Vase Venini Geacolor Coloured Glass Italy 1990s

5 460 EUR

Period : 20th century

Condition : Bon état

Material : Glass

Diameter : 30

Description

Sculpture vase "Geacolor" designed by Gae Aulenti for a Venini production. The vase, made of glass using the technique of hot and hand-applied colour transfer, is characterised by irregular protrusions of the most varied shapes that make each single production unique. Signed with acid under the base "venini 99 gaeaulenti".
