6 200 EUR

Signature : Jean-christophe Belaud

Period : 21st century

Condition : Parfait état

### Description

Carpet sculpture placed on a metal base, made by Jean-Christophe Belaud. Composed of superimposed layers cut by hand with a cutter, this work represents a stylized mask with dynamic and angular lines. Through the accumulation of volumes and the contrast of colors, the artist revisits the theme of the mask with a contemporary approach mixing abstraction and tribal reference, the fruit of several months of precise and rigorous artisanal work.
