Description

Small living room table in ash veneer, with a bowl-shaped top. It opens with a drawer in the belt. The two legs in the shape of a stylized lyre are joined by a spacer shelf. Charles X period. These small "flying" tables were very popular at that time and remain very popular today for their functional side and very little space taken up on a daily basis, serving for example as a "side table", reading table, lamp stand or small storage unit for various remote controls.
