

## Jeanselme Seat Set

2 200 EUR

Period : 19th century

Condition : Etat d'usage

Material : Mahogany

Width : 58cm

Height : 94cm

Depth : 50cm

### Description

Set of four armchairs and four chairs in carved mahogany, the molded armrests ending in a lotus flower, scrolled base and palmettes. These high quality seats have retained their superb original stitched upholstery. Attributed to Jeanselme (see last photo). They are in used condition, the seams of the upholstery worn, some stains, but the whole remains fresh and highly decorative. Other photos and details on request.
