Description

Important wrought iron console, made in the 19th century in a similar way to those produced in Provence under the Regency. Very high quality piece of furniture, with a superb bronze green patina enhanced with old gold, perfectly in line with an 18th century production. The feet and the belt have leafy ornaments as well as a coat of arms in embossed sheet metal, giving a lot of allure to this piece of furniture. Covered with a very beautiful marble in perfect condition.

Dimensions: 115 X 90 X 40 cm
