

Photo Frame Triptych Work "de Poilu" Folk Art In Copper Shell

160 EUR

Period : 20th century

Condition : Très bon état

Material : Copper

Width : 27 cm

Height : 24 cm

Description

Symbolizing loyalty but also immortality, representing ivy is therefore perfectly appropriate for making a photo frame. This one is a triptych in openwork and sheared yellow copper. A delicate, careful work made from a shell from the First World War, probably the work of a soldier and most certainly a unique model of its kind. Dimensions for photos approximately 7 x 3 cm
